

Table with columns for '上段: 浸水深(m)' and '下段: [地盤高(T.P.m)]'. The table contains a dense grid of numerical data points for various categories, likely representing geological or engineering parameters across different sites or conditions.

凡例
上段:
浸水深(m)
2.11
[12.61]
下段:
[地盤高(T.P.m)]
