

Table with 100 columns and 100 rows of numerical data. The table is organized into a grid with a header section on the right side. The header section includes labels for '上段: 浸水高(m)' (Upper section: Water height in m) and '下段: [地盤高(T.P.M)]' (Lower section: [Ground level (T.P.M)]). The data values are arranged in a regular grid pattern, with some cells containing specific values like 1.11, 1.12, etc., and others containing more complex numerical expressions or symbols.
