

Table with 100 columns and 100 rows of numerical data. The table is organized into a grid with a header section on the right side. The header includes a title '凡例' (General Rules) and two labels: '上段水深(m)' (Upper Segment Water Depth in meters) and '下段: [地盤高(T.P.m)]' (Lower Segment: [Ground Height in T.P.m]). The data cells contain numerical values, likely representing depth or height measurements at various grid points.
