

Topographic map grid showing elevation data (T.P.M) and water depth (m) for a specific area. The grid covers a range of coordinates from 100 to 174 on both axes. A red line indicates a specific path or boundary across the grid. The map includes labels for '上段: 浸水深(m)' and '下段: [地盤高(T.P.M)]'.

凡例
上段:
浸水深(m)
2.11
[12.61]

下段:
[地盤高(T.P.M)]
