

Table with 100 columns and 100 rows of numerical data. The table is organized into a grid with a header section on the right side. The header includes '上段: 浸水深(m)' (Upper section: Water depth (m)) and '下段: [地盤高(T.P.m)]' (Lower section: [Ground level (T.P.m)]). The data values are small numbers, likely representing elevation or depth measurements, arranged in a regular grid pattern.
