

Table with 100 columns and 100 rows of numerical data. The table is organized into a grid with a header row and a header column. The header row contains numbers 1 through 100. The header column contains numbers 1 through 100. The main body of the table contains numerical values, likely representing data points for a survey or measurement. The values are arranged in a regular grid pattern, with some cells containing text labels like '凡例' (Example) and '下段' (Lower section).
