

Table with 100 columns and 100 rows of numerical data. The table is organized into a grid with a header section on the right side. The header includes '上段: 浸水段(m)' (Upper section: waterlogged section in meters) and '下段: [地盤高(T.P.m)]' (Lower section: [ground level in T.P.m]). The data consists of a dense grid of numbers, likely representing elevation or depth measurements across a site.
