

Main data table containing a grid of numerical values representing water depth (T.P.M) across various coordinates.

凡例 (Legend) section defining symbols for '上段: 漫水深(m)' (Upper section: Water depth in m) and '下段: [地盤高(T.P.M)]' (Lower section: [Ground height (T.P.M)]).

2.11

[地盤高(T.P.M)]
