

Main data table with multiple columns and rows of numerical values, likely representing a grid of data points or coordinates.

凡例 (Legend) section containing text and diagrams. It includes a vertical scale for '上段: 漫水深(m)' (Upper section: Flood depth in meters) and a horizontal scale for '下段: [地盤高(T.P.m)]' (Lower section: [Ground level (T.P.m)]).

Vertical scale and horizontal scale tables. The vertical scale shows depth values from 0 to 10. The horizontal scale shows ground level values from 100 to 110. Both scales include numerical values and corresponding graphical markers.
